ABOUT COMPANY

The name “EMOI Vietnam Travel” is inspired by the catchphrase “em oi” that all Vietnamese people use in their daily conversations. They use it to catch someone’s attention when they want to talk to or pay a bill in a restaurant. “Emoi” literally becomes our brand name and is probably the first Vietnamese word that customers of Emoi Vietnam Travel learn when they arrive in Vietnam.

EMOI Vietnam Travel was founded and operated by people who love travel and respect Vietnam’s nature and its unique culture. We – local residents, keep all the secrets to take you to incredible places, immerse you in the breathtaking scenery, and enjoy the delicious cuisine. We do not consider ourselves an ordinary guide but a house owner treating you with hospitality and generosity, leading you to the way to contemplate Vietnam’s beauty at a 1:1 magnification ratio.

We’re providing a variety of tour packages: from basic, wellness, and cultural tours with zero-challenging to adventure & discovery tours. We introduce you to places where you can find peace after stressful working hours or explore and learn about Vietnamese culture that contains the characteristics of the wet-rice civilization and its distinct cultural imprint of people from 54 ethnic groups.

We have packages of tours available for you to choose from along with customized packages that match your personality and taste. Safe and peaceful Vietnam with EMOI Vietnam Travel is always ready to welcome you enthusiastically and thoroughly.

CLIENT FEEDBACK

The tour started with back and forth emails with Ms. Caily to suit our needs and expectations. On our arrival at No Bai Airport, a driver had been waiting and drove us to our Hanoi hotel. At the hotel, we met Emoi Rep mr. Thanh to discuss things in more details. In all, we were tired but very happy with all the arrangements.

Very good experience and caring travel agent

I recently had a 6-day trip to Da Nang, booked through Emoi Vietnam Travel, and I couldn't be more pleased with the experience. This was my first time using a travel agent outside my home country, and they did not disappoint. From the very beginning, Ms. Trang was there to help me plan my itinerary, book my tours, and arrange airport pick-ups and drop-offs. She was warm, attentive, and genuinely caring.

What stood out to me was the level of communication and support I received throughout my trip. In my past travels, travel agents typically book your itinerary and hand you over to the tour guides—but Ms. Trang went above and beyond. She stayed in constant contact with me from the moment I arrived in Da Nang until I returned home, providing updates on pick-up times, introducing me to my guides, and checking in to ensure everything was going smoothly, even outside office hours and even when she was in Hanoi. She also arranged for my guide to buy me a cake to celebrate my birthday, which was such a thoughtful gesture.

Her service exceeded all my expectations. She not only ensured I was well taken care of, but also looked out for my safety, making sure I wasn't scammed or misled by anyone. The level of care she provided truly reflects the values of Emoi Vietnam Travel—dedication to their clients and genuine hospitality.

I highly recommend Emoi Vietnam Travel, and I look forward to booking another tour with them in the future. Thank you, Ms. Trang, for making this trip unforgettable!

In the month of September, I texted Mr Duc from Emoi Travels for a 10 day itinerary in Vietnam . Mentioned all the places I want to visit, my choice of hotels, duration of my stay etc.

I prefer to do customize trip but this time I took help from Mr Duc. He listened carefully my needs and planned an itinerary that suits me and my mother.

A few things about Mr Duc -

- 1) Extremely hardworking, professional,focused, down to earth and Caring.
- 2) Every time you text him for anything related to the trip, he replies you instantly.
- 3) He always updated the driver and guide details a day before so that you get a clear picture whom to meet or talk to for the group tour.
- 4) Throughout the trip, I received texts from him how we are doing and any problems we have faced or not.
- 5) Thank you for the sweet gift on the women's day in Vietnam. He came especially at our hotel to wish us.

Tips for travelers -

- 1) If you book any trip from Emoi Travels, just sit back, relax and enjoy their hospitality.
- 2) No second thought. They will make sure you have an incredible trip.
- 3) Extremely reliable company and if you get a chance to deal under Mr Duc, I am sure he will give his best.

I will never forget my Vietnam trip. Lovely country and people. One of the best companies I have ever dealt with and honestly, Mr Duc's help and honesty made our trip more more memorable and beautiful. Thank you Emoi travels and Best wishes to Mr Duc.
